At the AGM, ordinary resolutions will be proposed for the renewal of the general mandates given to the Directors to exercise all powers of the Company to allot and issue new Shares; repurchase issued and fully paid Shares, and add back such repurchased Shares (if any) to the general mandate to allot, issue and dealt with the additional Shares (including any sale or transfer of treasury shares (if any)). The existing general mandates will expire at the AGM. Under such mandates (i) the number to allot and issue Shares may not exceed 20 per cent. of the issued share capital (excluding treasury shares, if any) of the Company as at the date of the resolution granting the general mandate; (ii) the number of issued Shares that the Company is authorised to repurchase on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") may not exceed 10 per cent. of the issued share capital (excluding treasury shares, if any) of the Company as at the date of the resolution granting the general mandate; and (iii) the Directors may add such repurchase Shares under (ii) above to the 20 per cent. general mandate under (i) above. These general mandates will be effective during the relevant period which is fully defined in the notice of the AGM.

Assuming that there is no change in the issued share capital (excluding treasury shares, if any) between the period from 16 April 2025, being the latest practicable date prior to the printing of the circular (the "Latest Practicable Date") and the date of the AGM, the number of Shares that may be issued pursuant to the general mandate to be given to the Directors to exercise all powers of the Company to allot and issue new Shares will be 56,000,000 Shares, being 20 per cent. of the issued share capital (excluding treasury shares, if any) of Company as at the Latest Practicable Date.

An explanatory statement as required by the rules governing the listing of securities on the Stock Exchange (the "Listing Rules") in connection with the repurchase mandate is set out in Appendix I to this circular.

This circular, for which the Directors collectively and individually accept responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Your attention is drawn to the additional information set out in the appendices to this circular.

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
For and on behalf of the Board of
SiS Mobile Holdings Limited
Lim Kiah Meng
Chairman

This Appendix I includes an explanatory statement as required under the Listing Rules to provide the requisite information to you for consideration of the repurchase mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 280,000,000 Shares. The Company does not hold any treasury shares, nor has deposited any treasury shares in CCASS for sale on the Stock Exchange.

Subject to the passing of the proposed resolution granting the repurchase mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed to (i) allot and issue 56,000,000 Shares; and (ii) repurchase a maximum of 28,000,000 Shares by exercising the mandate in full.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the shareholders for the Directors to have a general authority from the shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when and to the extent that the Directors believe that such repurchases will benefit the Company and its shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or the earnings per Share. The Directors have no present intention to repurchase any Shares.

Shares repurchased by the Company may be cancelled and/or held as treasury shares (to the extent permitted under Listing Rules), subject to market conditions and the Company's and its subsidiaries' (together the "Group's") capital management needs at the relevant time of repurchases. Shares repurchased by the Company and held as treasury shares may be resold on the market at full market prices as a means of fund raising or used for other purposes as allowed under Listing Rules, the Articles and the applicable laws and regulations of Cayman Islands.

Shareholders' rights attached to any Shares held in treasury by the Company will be suspended under the applicable laws and regulations once the Shares are repurchased by the Company, irrespective of whether they are held in the name of the Company or its nominee. The Company will continue to hold the repurchased shares as treasury shares in a segregated account in CCASS as appropriate. The Company will, upon completion of the share repurchase, give clear written instructions to its share registrar and the relevant broker to update the record to clearly identify those repurchased shares held in CCASS as treasury shares.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds of the Company legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws and regulations of Cayman Islands.

Repurchases must be paid out of funds legally available for the purpose in accordance with the Articles and the applicable laws of Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Companies Law, any repurchases by the Company may be made out of profits of the Company, out of the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of either or both of the profits or the share premium account of the Company, or, if authorised by the Articles and subject to the Companies Law, out of capital.

On the basis of the current financial position of the Company as at 31 December 2024 (being the date of its latest published audited accounts), the Directors consider that, if the repurchase mandate were to be exercised in full, it might have a material adverse impact on the working capital and/or the gearing position of the Company as compared with the current position disclosed. However, the Directors do not propose to exercise the repurchase mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital position of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months and the period from 1 April 2025 up to the Latest Practicable Date were as follows:

	Share prices (per Share)	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2024		
April	0.365	0.300
May	0.375	0.330
June	0.375	0.355
July	0.375	0.325
August	0.365	0.345
September	0.345	0.305
October	0.385	0.330
November	0.395	0.330
December	0.375	0.305
2025		
January	0.375	0.310
February	0.375	0.340
March	0.375	0.330
April (up to the Latest Practicable Date)	0.340	0.320

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PARTIES

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention, in the event that the proposed repurchase mandate is granted, to sell Shares to the Company. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code"). As a result, a shareholder or the group of shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the shareholder's or the group of shareholders interest, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, SiS International Holdings Limited held 52.30 per cent. of the issued share capital of the Company. In the event that the Directors of the Company should exercise in full the power to repurchase the Shares which is proposed to be granted pursuant to the resolution, the shareholding of SiS International Holdings Limited in the Company would be increased to approximately 58.11 per cent. of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

Assuming that there is no issue of Shares between the date of this circular and the date of a repurchase and no disposal by any of the substantial Shareholders of their interests in the Shares, an exercise of the repurchase mandate whether in whole or in part may result in less than 25 per cent. of the Shares being held by the public. The Directors do not intend to repurchase Shares which would result in a public shareholding of less than the prescribed minimum percentage of Shares in public hands.

7. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

8. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to the repurchase mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands, and in accordance with the regulations set out in Articles of the Company. Neither this explanatory statement nor Share repurchase has any unusual features.
